Using Parent Connect

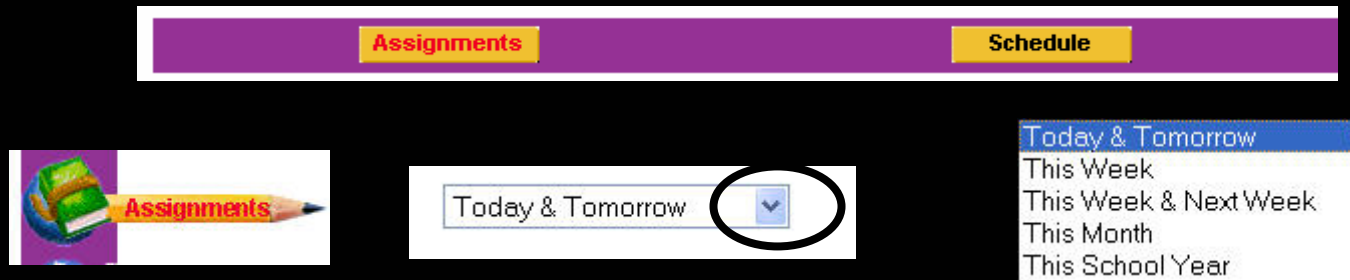

Student Info

Profile

General

- ❑ If you click on the Student Info pencil – you will be able to access your student's data.
- ❑ Click on general for name, address, phone number info as well as emergency contacts. If you notice any discrepancies please call the school.

Tasks and Assignments

When you first choose assignments you will just see Today and Tomorrow's assignments. Be sure to click the down arrow and request This School Year for all the assignments given to date.

Once the semester is turned over, you will lose the previous semester's information. The school can do nothing about this – it is a limit of the system. The information is no longer available to Parent Connect.

Assignments

Schedule

Tip: Click on Schedule on the purple bar for schedule. You will see your student's current average. Click on that average and you will see the assignments and tasks that contributed to that average.
