DREW INTERMEDIATE SCHOOL TAKS MATH—TUESDAY, APRIL 3

Dear Parent,

Fifth grade students will be taking the math TAKS (Texas Assessment of Knowledge and Skills) test on Tuesday, April 3. The TAKS test is a very important examination that students have been preparing for all year. We are proud of their hard work! It is now time for them to show how hard they have worked each day.

On the TAKS testing day, students will have breakfast in the classroom. The breakfast will consist of a sausage and biscuit, juice, and milk. The lunch menu will be spaghetti with meat sauce, roll, broccoli with cheese, mixed vegetables, and pineapple tidbits.

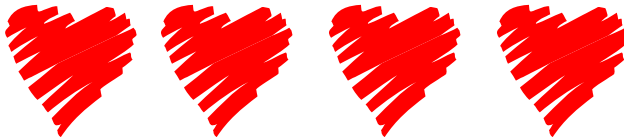

Please be sure your child gets plenty of rest this weekend and Monday night to be ready to pass the test on Tuesday, April 3. Send him/her off with a hug and words of encouragement!

On Tuesday, April 3, students have all day to take the test and most students finish the test within the regular school day, but a few may need more time. The test must be finished on the day it is started.

If your child does not finish, you will need to give permission for him or her to stay at school. We offer this extended time because we want the students to pass the test the first time and not have to take the test again because he/she rushed through the test. We will contact you around 3:15 p.m. if your child needs extended testing time.

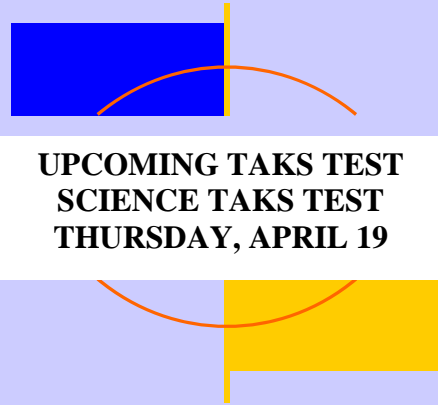

Thank you for letting your child attend Drew Intermediate.

Mary Jenkins, Rusty Powers, and Brandy Strolberg
Campus Administrators
Ms. Hussey, Ms. Corley, Ms. Kratky,
Ms. Reed, and Ms. Sylvester
Fifth Grade Math Teachers
