Dr. Don Hendrix, Superintendent of Schools

September 1, 2005

Dear Parents and Guardians:

Crosby ISD has been asked to participate in a program matching 9 Texas school districts with a district in Mississippi that has been destroyed by the devastation of Hurricane Katrina. We have agreed to adopt, and direct, our major disaster relief efforts to the students of Ocean Springs, Mississippi.

We will be conducting a fundraiser at each campus through September 9, 2005. All of the money raised will go towards purchasing clothes and school supplies for the children of Ocean Springs. The State Department of Mississippi has made arrangements to buy all of the items at cost. We are suggesting donations of \$1 to \$5 from any family that wishes to contribute. In order to expedite counting and sending the money to Ocean Springs, please do not send coins.

We thank you in advance for any contribution you can make as we strive to help our Gulf Coast neighbors recover from the storm.

Sincerely,

Dr. Don Hendrix
Superintendent of Schools
