Mark Mulloy, CEO of Crosby State Bank, along with President Brent Hughes, presented Superintendent Mike Joseph and Athletic Director Kevin Flanigan with a donation of \$10,000 to the Crosby ISD Athletic Department. Mr. Mulloy noted that he is proud of the bank's longstanding partnership with Crosby ISD. According to Mr. Mulloy, he feels an obligation to give back to the community by giving to Crosby schools and others. Mulloy said the donation is a way for the bank to help out an athletic program for which he has so much respect. Expressing his appreciation for the donation, Superintendent Mike Joseph noted that, "Crosby State Bank has a long history of supporting the district and our community. Their spirit of giving back has made a difference with many people. On behalf of the staff, students, and community - I thank Mark Mulloy and his entire staff for this generous donation." For the district's Athletic Director Kevin Flanigan, the donation has special significance. Coach Flanigan noted that:

We appreciate the generous donation from Mark Mulloy and Crosby State Bank. With ever tightening budgets, most funds are used to purchase the necessities for our athletes. A gift of this size allows us to purchase items which help us continue to train our athletes at a high level. The money will be used for weight room items, as well as, other needs for our athletic program. We sincerely thank Crosby State Bank for their continued support of our community.

Crosby ISD is thankful for this generous donation and appreciates the role that Crosby State Bank has in helping make Crosby a strong and caring community.
