

Welcome to Barrett Primary School website! I am Malinda King and I am your Barrett Primary School principal. I hope that you will find our site friendly and informative, with appropriate links that will give you access to information about our school.

I am excited about being a part of your child's education. My journey in education began in 1984, when I received my Bachelor of Science degree in early childhood education. Over the years I have served as a child care director, pre-k teacher, kindergarten teacher, and 1<sup>st</sup> grade teacher. I have also served as a Texas Reading First Literacy Coach and Curriculum Specialist. Before coming to Crosby ISD I was an assistant principal for New Caney ISD. I was raised in Nacogdoches, Texas and have three children including two sons and one daughter. I hold the personal belief that all children are entitled to a quality education that not only provides them with academic success, but also prepares them with the ability to successfully cope with everyday events.

Barrett Primary is a 1<sup>st</sup> and 2<sup>nd</sup> grade campus with approximately 800 students. Our faculty and staff love the children, and are committed to providing each child with a wide range of learning opportunities. At Barrett Primary School we value the uniqueness of individual students. Our focus for quality learning is linked to our philosophy that school should be safe, fun, and challenging. We are proud of our school and see the education of our children as a partnership between home and school.

If you would like to learn more about our school, please feel free to contact us by phone or email.

Thank you,
