

## BPS Reading Lab

### Personals

Mrs. Day, Mrs. Bielamowicz, and Mrs. Giboney all want to extend a big, "Thank You!" to Mrs. Meinen for filling in for Mrs. Bielamowicz.

Mrs. B is recuperating at home from her recent surgery. She reports that she is healing nicely. She also sends heartfelt thanks for all the cards, food, and prayers she has received from her school family.

### Reminders to Students

- Enter the lab quietly.
- Sit in LLP (Listening/Learning Position) at the reading table.
- Try your best.

### Reminders to Parents

1. Your children are now expected to learn many things that we learned in much later grades.
2. Read nightly with your child.
3. Encourage and praise your child's efforts to learn and practice what he/she learns.

### This Month's Highlights

Last Friday, we held a trial run on the reorganization of the "Learning Lab" into the "Reading Lab". We discovered that only most of or materials are complete, so more work needs to go into that area. We also noted that more time is needed for each of the four rotations in order to accomplish the intensive, explicit, repetitive instruction that our TIER III require to learn and retain information.

### Upcoming Events

- 4/23/ 2nd grade TPRI begins
- 4/30/ 1<sup>st</sup> grade TPRI begins
- 5/03/ Principal's Pride
- 5/04/ Cinco de Mayo Program/Luncheon
