

Test Taking Tips for Success

1. Read the question before you look at the answer.
2. Translate the question into your own words. Think: "what is this question asking?"
3. Use your general knowledge. Ask yourself, "What do I already know about _____?"
4. Come up with the answer in your head before looking at the possible answer choices.
5. Look for the answer choice most like yours.
6. Eliminate answers you know are not right.
7. Read all the choices before choosing your answer.
8. Attack unfamiliar words by
 - * sounding them out
 - * breaking them into familiar parts
 - * looking at the surrounding words and sentences for clues to the meaning of the word
 - * skipping the word if you cannot figure it out
9. Be flexible. You may not see the exact choice you are looking for. Choose the best option available.
10. Keep a positive attitude and stay relaxed. If you feel nervous, take a few deep breaths to relax. If you are stuck, move on to the next question and come back to it later.

You CAN do this!
