

**Network/Internet Use Agreement  
(For District Personnel-Signature Page)  
Return to Technology Services**

School computer systems are for use by authorized individuals only. Any unauthorized access to these systems is prohibited and is subject to criminal and civil penalties. Individuals using these systems are subject to having all activities on these systems monitored by system or security personnel. Anyone using these systems expressly consents to such monitoring. Prosecution and/or termination of user privileges will occur without warning.

It is possible for all users of the worldwide Internet (including school-age children) to access information that is intended for adults. As an employee of Crosby ISD, I will use the district Internet connection only for purposes consistent with the goals and objectives of the district and make every effort to ensure that students do the same.

I, \_\_\_\_\_, (printed employee name) have read the Internet Acceptable Use Regulation, understand it, and agree to adhere to the principles and procedures detailed within. I understand and accept the conditions stated above, and agree to hold blameless, and release from any liability, the Crosby ISD, the sponsoring school, its subcontractors, and employees.

I understand that I as a network user in making electronic contact with others am expected to use good judgment and follow the Internet Acceptable Use Regulation printed in the employee handbook. Violation of any provision of the Internet Acceptable Use Regulation could incur disciplinary action by the district as well as loss of privileges on the Crosby ISD Network.

I understand that sites being accessed by users and electronic communication may be monitored at any time.
