520 - Grade Period Display

What is Grade Period Display?
This feature is used to indicate which of the available grading periods will display in the Teacher's Gradebook. The current term must be displayed.

Why would you use Grade Period Display?
This can be used to limit the display of assignments and/or overall term grades to the current or selected terms only.

When would you use Grade Period Display?
Changing the Grade Period Display may be necessary to either initially limit the display to the current term or to work with past or future grading periods.
