# WELCOME TO THE COUGAR BASKETBALL NEWSLETTER

### FROM THE DESK OF COACH EGANS

Since the first edition of our "Hoop Scoop" Newsletter this season, the support from faculty, community members, fans, and former players has been unreal. The many emails and phone calls expressing your enjoyment of being able to keep up with the program have been GREAT. Please continue to spread the word on our efforts and enthusiasm about your Crosby Basketball team.

Now heading toward the final stretch of the season, the Cougars are in desperate pursuit of the 4th and final play-off spot. While our record is certainly not what I want it to be, our young guys has matured and fought every step of the way through the process. We are constantly improving, going head to head with all opponents. I hope you continue to follow and support your Cougars during this important time of the season. You'll be proud.

I would like to formally invite all teachers to our home game Friday, Feb. 6th versus the Spartans of Porter. The Cougar players have chosen this game as "Teacher Appreciate Night", to express their gratitude to the many teachers that are helping them develop into young adults.

God Bless,

Coach Egans

## District Play

The Crosby Cougars basketball team started district play back in December and a roller-coaster ride can be used to describe the first part of district play. The Cougars ended the first half of district play with a .500 record at 4 win and 4 losses, putting them in a tie for 4<sup>th</sup> place with district rival Dayton. The Cougars started off hot by defeating Galena Park and Kingwood Park, but the Cougars stumbled the rest of the way losing 4 out of the last 6 games to finish the first half of district. However, the young Cougars basketball team has played themselves right into position to fight and scrap their way into a playoff spot. Please come out and support the Boys' basketball team the rest of the way as they make a playoff push the second half of district play.
