

CROSBY INDEPENDENT SCHOOL DISTRICT

Patricia Kay, Ed.D.

Assistant Superintendent of Student Services

14670 FM 2100 / P.O. Box 2009

Crosby, TX 77532

September 3, 2020

Hello Parents.

In preparation for next week when some of our students will return for face to face instruction, I want to direct your attention to some helpful information regarding district efforts to ensure a safe and healthy environment for your child.

Please go to the district website at www.crosbyisd.org . Click on the “2020-2021 RETURN TO SCHOOL PLAN” on the front page. From there you can read a number of resources related to district operations during this time of COVID-19. If you don’t have time to look at everything there, I recommend that you read the “Health Services Plan” in the list under the 20-21 Resources. This document was composed as a coordinated effort of our school nurses. It contains procedures to promote the health and safety of students and staff. In that document, you can find information related to COVID-19 and what to do if an individual becomes symptomatic. It describes our screening procedures and how we will handle each case or suspected case.

Parents, please help us to provide a healthy environment for all of our students and staff. Monitor your child for symptoms. Keep him/her at home if symptoms appear. Call your child’s school nurse if you have a health concern and keep us informed. Working together, we can welcome our students back to safe and healthy schools! We sure have missed them!

Patricia Kay, Ed.D.
Assistant Superintendent, Student Services
Crosby ISD
