### Discount features

Non-covered eyewear discount: members may also receive a discount of 20% from a participating provider's usual and customary fees for eyewear purchases which exceed the benefit coverage (except disposable contact lenses, for which no discount applies). This includes eyeglass frames which exceed the selected benefit coverage, specialty lenses (i.e. progressives) and lens "extras" such as tints and coatings. Eyewear purchased from a Walmart Vision Center does not qualify for this additional discount because of Walmart's "Always Low Prices" policy.

The national LASIK network of laser vision correction providers, featuring LasikPlus, offers members special program pricing on services. The program pricing should be verified prior to service.

*All allowances are retail; the member is responsible for paying the provider directly for all non-covered items and/or any amount over the allowances, minus available discounts. These are not covered by the plan.*

*Discounts are subject to change without notice.*

*Disclaimer: All final determinations of benefits, administrative duties, and definitions are governed by the Certificate of Insurance for your vision plan. Please check with your Human Resources department if you have any questions.*
