Approved Project List

1. Rate the Book! – You may choose to do a very short online book review (on CMS Library webpage) on each of the three books you read or you may use the hard-copy book review form.   (Please see Ms. Henderson).

2. Wordcloud – Create a "Wordcloud" image based on the book – you can use words, themes, character names from one of the books you read. (Suggested wordcloud tools: Wordle or Tagxedo)

3. Playlist – Create a playlist for the main character of the book. What songs would the main character listen to? Use playlist.com or other music app to create a playlist or simply write a list of songs that you think the main character would have on their playlist.

4. Illustration – Create your own illustration for the book – this can be a drawing of a particular character or moment in the book; or can be based on the overall story. Drawings may be done using your choice of materials.

5. Graphic Novel Panel – Create a comic strip panel depicting a part of the book. Include a minimum of 5 boxes with pictures and dialogue done in the style of graphic novels.

6. Movie Poster – Create a movie poster for the book you read. If your book were to be made into a movie, what do you think the movie poster would look like? Include: movie title, actors to play leading characters, illustration representing the movie based on the book.

7. Book Trailer – Create an online mini commercial about your book, sort of like a movie trailer. Tell your audience why they should read the book. (Please see Ms. Henderson.)

8. Create an illustrated timeline showing important events from the book. Choose at least 10 important events from the story. Write a description of each event, and draw & color an illustration for each event. The events must be in the order in which they occurred.

9. Make a map of places where the story took place. The map should be colored. Write a description of what each place is and why it is important.
