

Add a link to your Schoology Class

1. Click on Add Materials

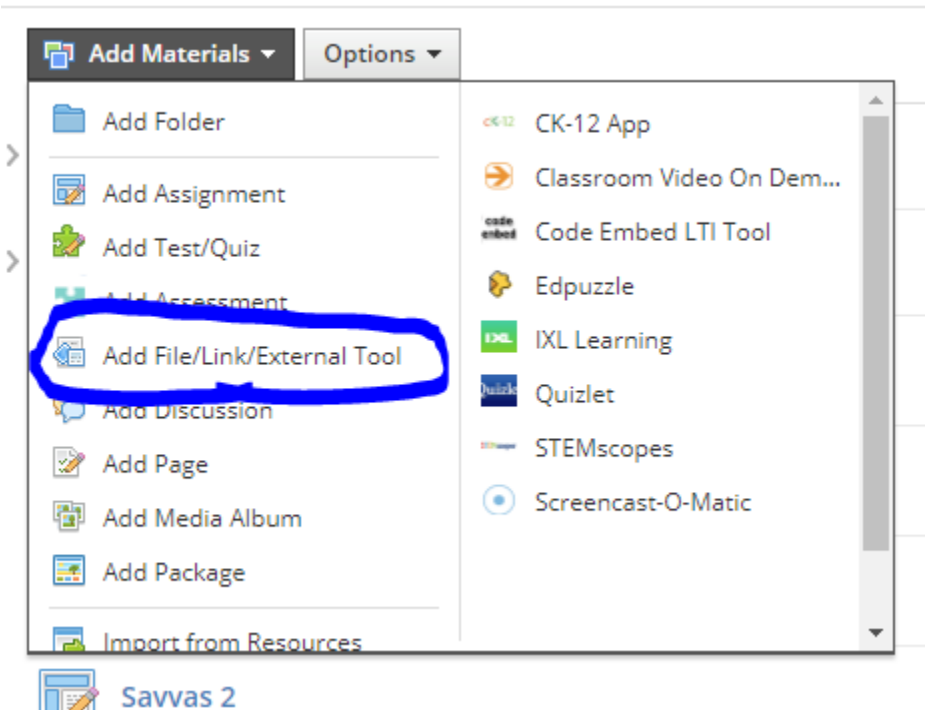

Ms. Cole's Elementary Experience: Section 1

Crosby Independent School District

The screenshot shows the top of a Schoology class page. At the top, there are two buttons: 'Add Materials' and 'Options'. The 'Add Materials' button is circled in blue. Below the buttons, there are three items listed with expandable arrows on the left: a folder icon for 'This Week! (August 12-13)', another folder icon for 'July 26-30', and a document icon for 'test'.

2. Click add file/link/external tool

The screenshot shows the 'Add Materials' dropdown menu open. The menu is divided into two columns. The left column contains options: 'Add Folder', 'Add Assignment', 'Add Test/Quiz', 'Add Assessment', 'Add File/Link/External Tool' (circled in blue), 'Add Discussion', 'Add Page', 'Add Media Album', 'Add Package', and 'Import from Resources'. The right column contains a list of external tools: 'CK-12 App', 'Classroom Video On Dem...', 'Code Embed LTI Tool', 'Edpuzzle', 'IXL Learning', 'Quizlet', 'STEMscopes', and 'Screencast-O-Matic'. Below the dropdown menu, the 'Savvas 2' item is visible.

3. Click Link

4. Paste the link (url) in the top box. Type in the name of what you want the link to say in the bottom box (example: Math Video – Fractions). Press Add
