Advanced Placement and Honors Courses

Students enrolled in an AP course are expected to take the corresponding AP exam. Schedule changes for Honors and AP drops will **ONLY** be considered at the END of the first 3-weeks; END of the first 9-weeks and/or at the end of the 1st semester. AP/Honors drop require written request by the student, parent, teacher, counselor and Principal approval. When approved, the grade earned in the Honors or AP course will be transferred to the on-level class. Honors and AP level drops will not be approved after the fall semester.

Announcements, Posters, Signs

All advertisements, campaigns, and similar purpose signs/posters must be approved by the appropriate sponsor and also be authorized by the campus principal or designee before being posted on the campus. Sponsors are to have such items removed when they have served their purpose. Check with sponsor and administration on the appropriate adhesive options.

Announcements of general interest are made each day over the intercom (typically at the beginning of 3rd period with the exception of Wednesdays where announcements are made at the beginning of 6th period). Items to be announced must come from the teacher, sponsor, or staff member.

Affection (Displays of)

Inappropriate demonstrations of affections while on school grounds or at a school-sponsored event may result in parent contact and/or school discipline consequences.

After-School

If students are on campus after school for official business such as tutorials, club activities, or athletic events they **MUST** be supervised by a CHS staff member. The hallways will be cleared and gates may be lowered by administration at 3:00 PM each day. Students waiting for a ride must remain outside the building barring dangerous, inclement weather. **For safety reasons, students who do not have official business on campus must be off school property by 3:00 PM.**

Attendance Policies

Please refer to the CISD Student Handbook for additional Attendance Policies and Procedures

- **College Visit Absences-** Juniors and Seniors are allowed to take **one** College Day in the fall semester and **one** College Day in the spring semester. Specific guidelines are listed on the College Visit Form and must be followed before a student may take this day. Students may pick up a College Visit Form in a Counselor's office.
- **Procedures Following an Absence-** Documentation for the absence/absences must be submitted to the attendance office. The student's name, date of absence, reason for absence, contact number, and parent/guardian signature are requested. **Documentation must be brought within 3 days of the student's return to school.**
- **School Activity Absences-** Students who will miss school due to a school activity should get all assignments from his/her teacher **prior** to the absence. School activity absences are excused absences.
- **Attendance – Signing In-** Classes begin at 7:15 AM each day with the exception of late arrival Wednesdays where classes begin at 9:00 AM. Students must come through the attendance office and sign-in when arriving to school after 7:30 AM on regular school days and after 9:15 AM on late arrival days. Students will be considered tardy upon arriving after the first bell. There are no excused tardies to the first period of the day for those students who do not ride the bus. After the first fifteen minutes of the school day or after the first fifteen minutes of any class period, the student's attendance will be recorded as an absence and these absences will count against the student on exemptions and the 90% state attendance requirements.
- **Attendance – Signing Out-** To receive an early dismissal during the school day, a student is required to present a written request/excuse that includes the student's name, reason for leaving, contact number, and parent/guardian signature to the attendance office. The parent must also telephone the attendance clerk as far in advance as possible. Students checked out at the end of the day must do so by 2:15 pm and on Pep Rally Scheduled days by 1:45pm

Parent/guardian permission must be received before a student may leave campus. The parent/guardian should come to the office and personally sign out the student.

Students who are assigned in-school suspension (ISS) and check out during the school day will have to repeat that day of ISS.

- **Leaving Campus (All Grade Levels)**

Remember that student attendance is crucial. Appointments should be scheduled outside of school hours if possible. Absent extenuating circumstances, students will not regularly be released before the end of the school day. State rules require parental consent before any student leaves campus for any part of the school day.

For students in elementary and middle school, a parent or authorized adult must come to the office and show identification to sign the student out. A campus representative will ask the student to report to the office. For safety purposes and stability of the learning environment, we cannot allow any unescorted adult to go to the classroom or other area to pick up the student. If the student returns to campus the same day, the parent or authorized adult must sign the student back in through the main office upon the student's return. Documentation regarding the reason for the absence will also be required.

The same process applies to students in high school if a parent picks the student up from campus. If the student's parent authorizes the student to leave campus unaccompanied, a note provided by the parent must be submitted to the main office no later than two hours prior to the student's need to leave campus. A phone call from the parent may be accepted, but the school may ultimately require a note for documentation purposes. The student must sign out through the main office and sign in upon his or her return, if the student returns the same day.

If a student becomes ill during the school day and the school nurse or other district personnel determines that the student should go home, the nurse will contact the student's parent and document the parent's wishes regarding release from school.

Unless the parent directs district personnel to release the student unaccompanied, the parent or other authorized adult must follow the sign-out procedures listed above. If a student is permitted by his or her parent to leave campus unaccompanied, the nurse will document the time of day the student was released. Under no circumstances will a student in elementary or middle school be released unaccompanied.

If a student is 18 years of age or is an emancipated minor, the student may sign him- or herself out of school. Documentation regarding the reason for the absence will be required.

Bring Your Own Device (BYOD) Policy-

CHS will open a filtered, wireless network through which students will be able to connect privately owned electronic devices. Students using personal electronic devices must follow the school guidelines while on school property, attending any school-sponsored activity, or using the Crosby ISD network.

Students are allowed to bring personal electronic devices that can access the Internet for educational purposes **as determined by the classroom teacher**. Students will be allowed to use the device between classes and in the cafeteria setting in a digitally responsible manner.

Searches

In the interest of promoting student safety drug-free school, district officials may occasionally conduct searches.

District officials may search students, their belongings, and their vehicles in accordance with law and district policy. Searches of students will be conducted without discrimination, based on, for example, suspicion or voluntary consent or pursuant to district policy providing for suspicion less security procedures, including the use of metal detectors.

In accordance with the Student Code of Conduct, students are responsible for prohibited items found in their possession, including items in their personal belongings or in vehicles parked on district property.

If there is reasonable suspicion to believe that searching a student's person, belongings, or vehicle will reveal evidence of a violation of the Student Code of Conduct, a district official may conduct a search in accordance with law and district regulations.

District Property

Desks, lockers, district-provided technology, and similar items are the property of the district and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice. Students have no expectation of privacy in district property.

Students are responsible for any item found in district property provided to the student that is prohibited by law, district policy, or the Student Code of Conduct.

Metal Detectors

To maintain a safe and disciplined learning environment, the district reserves the right to subject students to metal detector searches when entering a district campus and at off-campus, school sponsored activities.

Telecommunications and Other Electronic Devices

Use of district-owned equipment and its network systems is not private and will be monitored by the district. [See policy CQ for more information.]

Any searches of personal electronic devices will be conducted in accordance with law, and the device may be confiscated to perform a lawful search. A confiscated device may be turned over to law enforcement to determine whether a crime has been committed.

Trained Dogs

The district may use trained dogs to screen for concealed, prohibited items, including drugs and alcohol. Screenings conducted by trained dogs will not be announced in advance. The dogs will not be used with students, but students may be asked to leave personal belongings in an area that is going to be screened, such as a classroom, a locker, or a vehicle. If a dog alerts to an item or an area, it may be searched by district officials.

Vehicles on Campus

If a vehicle subject to search is locked, the student will be asked to unlock the vehicle. If the student refuses, the district will contact the student's parents. If the parents also refuse to permit the vehicle to be searched, the district may turn the matter over to law enforcement. The district may contact law enforcement even if permission to search is granted.

Tardy Policy

Students are given 5 minutes in between each class period. Any student that is not in class when the bell rings will be considered tardy and will be required to report to a house office to obtain a tardy slip. Tardies are counted per 9 weeks

1 st -4 th Tardy =	Warning;
5 th -6 th Tardy=	D-Hall;
7 th -9 th Tardy=	Thursday/Saturday class (3-hour)
10 th + Tardy=	ISS/Possible OSS assignments

Excessive tardies may result in ISS. Tardies to first period may result in a student's parking privileges being revoked. Tardy passes excuse the consequence, but do not eliminate the tardy for the student's overall tardy count.

Tutorial Program

CHS offers tutorial sessions from 3:00 PM – 3:45 PM on Tuesdays and Thursdays. There will be no extracurricular practices held during tutorial time without prior approval of the principal or his/her designee. Participation in tutorials is voluntary; however, we encourage all students to take advantage of the program being offered. Transportation after the tutorial session will be the responsibility of the student.

Vehicles/Parking

Vehicles brought on campus are the personal responsibility of the driver/owner. The school is NOT responsible for accidents, thefts, vandalism, etc.

All students' motor vehicles (auto, truck, cycle) must be registered in the office within one week of the beginning of school, or immediately upon enrollment during the year or the first time a new vehicle is driven to school. Before a student can obtain a school parking decal, a valid Texas Driver's License, parent consent form, a proof of the current insurance coverage must be presented. A school parking decal must be displayed while the vehicle is on campus. The price of each sticker will be \$20.00 plus 4% for paying with a credit card. Students who bring vehicles on campus must observe the following rules:

1. Students are not allowed to park in faculty/staff lots.
2. Students are not to sit in parked cars at any time after arrival, between classes, or before departure from school.
3. Motorcycles are to be parked in the student parking area.
4. Students are not to congregate around vehicles.
5. Students driving a vehicle other than the one registered should report to office to receive a temporary permit; however, this will not excuse if the student is tardy.
6. Once a car is parked, the student should exit and not return to the vehicle until ready to leave campus for the day. A student may only return to his/her vehicle by receiving a pass from his/her assistant principal.
7. Leaving campus without permission will result in disciplinary consequences and possible loss of driving privileges to school for the remainder of the school year. If the offense occurs any time during the last six weeks of the semester, loss of driving privileges may extend until the following school year.
8. Student vehicles may be searched by campus administrators, if reasonable suspicion exists.
9. Students are not allowed to drive to the practice fields, field house, baseball/softball fields, Agriculture Center, etc. during the school day.
10. Failure to register a vehicle, improper parking, and/or disobedience of parking rules will result in disciplinary consequences and/or the vehicle being towed away at the owner's expense.
11. Students who drive recklessly may be subject to loss of driving privileges up to the remainder of the year and appropriate legal action will be taken.
12. After School students must move his/her vehicle out of the band practice area on the specified days.

Driving a vehicle or motorcycle to school is a continuously earned privilege and not a right. Students abusing this privilege forfeit the privilege of driving a vehicle to school.

The transportation department and/or campus administration will review video routinely and document student misconduct. Discipline will be in accordance to the Crosby ISD Student Code of Conduct.

School policy is to accept only those visitors who have legitimate business at school. Guests and visitors must have the approval of a school administrator. Students from another district and other visitors are not permitted in classrooms, the commons, or hallways.

When visiting the school all visitors are expected to demonstrate the highest standards of courtesy and conduct; disruptive behavior will not be permitted. Additionally, all visitors

A student under the age of 18 may be withdrawn from school only by a parent or legal guardian. The school requests notice from the parent at least three days in advance so that records and documents may be prepared. A withdrawal form may be obtained by the parent from the registrar's office. A student who is 18 or older, who is married, or who has been declared by a court to be emancipated minor, may withdraw without parental signature.
