

Crosby Independent School District

DEPARTMENT OF SPECIAL EDUCATION

Crosby ISD Department of Special Education will follow the district guidelines for a healthy and safe return to school for students with disabilities for the 2021-2022 school year. In addition, the following considerations/accommodations will be implemented for students with disabilities.

- Students in specialized settings will not be required to wear masks, however masks are permissible
- If a parent has requested Remote Instruction for the 2021-2022 school year, there are campus committees in place to review extenuating circumstances and determine the need for remote instruction
 - If the student is a student with a disability, the campus committee will include a special education representative who is familiar with the student's needs
